Thank you for your interest in becoming a member of the Sable Island Institute (SII). Your membership will make you a partner in our mission to provide support for:

- On-island scientific research on the island's ecology and monitoring surveys for beached plastics and seabirds.
- Information and interpretive programs for the public and for schools.
- Facilitation of new island-inspired artistic and cultural ventures and collaborations.

This work is respectful of the Island environment and its ever-changing ecological balance. It is undertaken in close collaboration with Parks Canada, other government agencies, university researchers, and community partners.

Please e-mail the completed membership form, with "Membership" in the subject line, to:

sableislandinstitute@gmail.com

If dues are required for your membership, you can e-transfer the funds to that same e-Address or mail a cheque to the address below.

My dues will be sent by e-Transfer or by Mail
